Agenda: a) Projects b) AOB

a) Projects See Running Actions document.

b) A.O.B

Bill from Scott Buchan re beach notice board :-

Surprise and disappointment was expressed over this unexpected development. It was agreed that Hugh would speak to Scott to try to reconcile the position amicably. **A/P Hugh**

School Garden Project

Sonya had spoken to Billy about this. Angela briefed the committee on their hopes to build a nature project type garden for the young kids. As an internal school project, we wouldn't get involved but if it became a wider community based project we would be happy to assist.

Humic Frothing, Beach pollution.

Billy has circulated pics of the Cruden Water run-off foam last Wednesday at the North beach. The worst we have ever seen. Billy has contacted Emily Hastings of East Grampian Coastal Partnership and she has raised it with SEPA. Resemary has given Billy our direct contact with SEPA for us to formally contact them and explore why this seems to be worsening, **A/P Billy**

2nd Recycling Site:

Angela asked what was happening with this? Current situation seems to have stabilised but agreed to keep this on our radar.

The next meeting will be held in the Kilmarnock Arms function room Monday February 1st 2010 at 7.15p.m.
